

# Inspiring talks

Get inspired to take action: we talk about food loss and waste, social entrepreneurship, farming and gleaning, and the right to healthy and sustainable food.

## PRACTICAL QUESTIONS

**Location:** In any center, municipal facility or organization.

**Duration of the activity:** Tailor-made, between 1 to 2 hours.

**Addressed to:** Companies, social entities, universities, administration and general public.

## Activity description

We offer talks and information sessions aimed at an adult audience to raise awareness of the problem of food losses and food waste, its causes and consequences, as well as possible solutions that each of us can provide. We also talked about the Espigoladors model and how we work to promote food utilization and the right to healthy and sustainable food with a transversal and sustainable perspective.
